## Mobile X-Ray Clinic in Didsbury For Four Days

The Alberta Tuberculosis Association's Mobile X-Ray Unit will be operating in Didsbury from Friday, June 30 to Tuesday, August 2nd. The response, within the district, of families taking advantage of this free chest X-Ray offer on the whole has been satisfactory. It is felt that there are still a fair number of families who have not signed up to attend for one reason or another. It is still not too late and an appointment may be made by calling or phoning Rose-

bud Health Unit at Didsbury, 97. This is the last opportunity for ensuring that your name has been included in the list for an X-Ray.

It is especially important that all parents and old people accept this X-Ray check up as Tuberculosis is more frequently found in the age group twenty to eighty, than in children and teen ages.

The pink appointment cards stating the date and time of attendance at the Clinic have been sent out in the mail to all who have requested an X-Ray. Everyone is asked to keep to the appointment time stated so as to ensure smooth running for the whole plan.

The Mobile X-Ray Unit will be located in the grounds of the Rosebud Health Unit, one block west and four blocks north of Law's Drug Store, during its stay in town.

## Didsbury Fair Exhibits Show Increase This Year

The forty-third annual exhibition of the Didsbury Agricultural Society was held last Wednesday, July 22nd, and while the crowd was just as large as last year the number of exhibits was greater than for a good many years. According to the local exhibition secretary, C.E. Reiber, there were 624 individual fair entries this year, compared with 460 last year.

While the Exhibition does not run for a large sports program there were horse races, ball games, etc. to pass the time, and in the open run horse race Saunders of Aldrie won first; Hart of Sunnyside, second, and Gillie of Didsbury third. The 142 race was won by Hart, with Gillie second and Gale third. In the local stock saddle race K. Gillie won first, G. Gillie second, and C. Jackson third. In the Shetlands class Gale was first, H. Roberts second, and H. Roberts third.

In the baseball games there were four entries and Capitals team won first money, Bowden second, Melvin third and Didsbury fourth.

The machinery display was interesting, and the array of lawn cooking and fancy work, etc. in the curing rack attracted many visitors this year.

### MELVIN NEWS

The food sale held Saturday in Jimmie Gieskin's store by the ladies of the Didsbury Quilts society, and the sum of \$39.95 was realized. Thanks is extended to Jimmie for his hospitality and to all those who helped to make the afternoon a success.

The Can Do meeting scheduled to be held at Mrs. G. Gieskin's on Wednesday in August happens to fall on the day of the Lions Club sports in Didsbury. Please note, ladies, that the meeting will be held a day earlier, Tuesday, August 10.

Mr. and Mrs. Bill Allan and family of Kenna, Wash., are visiting at the home of Mrs. Allan's parents, Mr. and Mrs. A.E. Krebs.

Mr. and Mrs. Palmer McNair and daughters Sharon and Marcia of Chico, Calif. are visiting at the Wahl home this week and receiving old acquaintances in the district. ## Walther Leaguers Return July 20 From Convention

A tired but cheerful group of six Walther Leaguers, from Redeemer Lutheran Church, Didsbury, returned on the 16th International Walther League convention held at Portland, Oregon, on Tuesday, July 20. In the group were Mr. and Mrs. Fred Reyer, Alvin Jans, Carl Richard, Otto Bartz and Earl Scherzer.

The Didsbury Leaguers left home on Wednesday, July 17, for a tour of historic Mt. Hood, via Calgary, Banff, Creston, Spokane to Portland, arriving on Sunday, July 11. A total of over 1100 delegates from 117 Walther League Societies in Canada and the United States were in attendance. The convention opened with a convocation service on Sunday evening, July 11, with over 1300 present.

Sessions were held every day with the exception of Monday afternoon, when forty buses took the delegates on a tour of historic Mt. Hood. Here the Leaguers enjoyed a snowfall light in the middle of summer.

Tuesday evening a Choral Union concert was held in the civic auditorium with 200 voices taking part. On Wednesday evening the fellowship banquet was held with over 1600 guests present. Using an Indian theme and developing all the stunts and songs about that idea, the banquet held everyone's attention.

The convention closed on Thursday morning. The Leaguers returned to their homes, a suburb of Portland, certainly in a devastated place because of the recent flood. Words can hardly describe the scene. Not a house is left intact. Cars, trucks and household furniture either is floating in the murky waters or piled in the muddy flats. Also in parts of B.C. an overwaking scene meets the eye.

Mr. and Mrs. R. Brown and family returned from a two weeks' trip to Golden and other B.C. places.

Don't forget the annual picnic of the Innisfail, Ods and Didsbury and game associations to be held at the Raven fish hatchery this Sunday, August 1st.

The Ladies' Sports Club will hold no further meetings until the first Thursday in September.

K. Roy McLean, Optometrist of Calgary, will be in Didsbury on Monday morning, August 2nd. Dr. Roy McLean in his Calgary office 1015 Southern Bldg., daily except Monday.

# CCF Meeting Harry Bruns Dies In Truck Accident

Mr. Harry Bruns of Castalia, brother of Mrs. Ray Teynor of this district, was killed in a truck accident at Corbin, B.C. Harry was heading east for a mine at Corbin and was going up a mountain road when met by an oncoming truck. The glare from the headlights blinded Harry and when he pulled over close to the side the road crumpled and his truck plumed two hundred feet down the bank. Harry was flung from the truck and it rolled over him, crushing him beneath. His remains were brought to Castalia and burial services were held from the United Church, Mr. Irvin of the Church of God conducted services. Pallbearers were Mr. Turner, Mr. D. Cameron, Mr. Bill Cameron, Mr. L. Taks, Mr. John van Mastron and Mr. Eric van Mastron. Mr. Bruns is survived by his parents, Mr. and Mrs. Elmer Bruns of Castalia; three sisters, Mrs. Ray Teynor, Jessie and Zelma; three brothers, Melvin, Donald and Tony; his grandmother, Mrs. Carry Bruns; and many other relatives. The regular meeting of the Fallen Timber Busy Bees was held at the home of Mrs. Hone, with nine members and two visitors present. Roll Call was answered with hints on the care of hair and hands. The secretary read the report from the bazaar, which showed a total of \$54. It was decided to place \$25 in the piano fund. After the business meeting a delicious lunch was served by Mrs. Cooper and Mrs. J. McCaffin.

## MOUNTAIN VIEW

Master Bobby McCoy of Victoria, B.C. was the guest of his aunt, uncle and cousins, Mr. and Mrs. B.A. Atkinson and family, last week.  
Grandmothers' Day at the Mountain View Women's Institute last Friday at the G.S. Tule home was very successful, with 13 members present and 12 visitors, besides a number of children. The seven grandmothers present received coronas of garden flowers. Quite a number of reports were given during the business meeting from the delegates to the district conventions in the last month.  
After the business meeting, Mrs. Gebers recited a poem for the grandmothers and then Donna Blain recited a short poem. Mrs. Pearson enjoyed the gathering with a vocal solo and Mrs. Worrall presented a very interesting contest on "Mother's Day." Mrs. Halsep of California was the winner of the contest with a perfect score. The social entertainment concluded with everyone joining in singing favorite hymns of the grandmothers present. The hostess then served a delicious "pot luck" lunch. Presents were awarded the oldest grandmother, Mrs. Pearson, and the youngest grandmother, Mrs. Schumaker.  
Mr. and Mrs. W.C. Bruce of Port Alberni, B.C., and their two children, Deborah and Robert, arrived last week and are residing at the W. Bruce home.  
Calder at the B.A. Atkinson home on Thursday last were Mr. and Mrs. McCoy and Mrs. Alexander.  
Max Archer is around again after a brief illness.  
Congratulations are in order to Mr. and Mrs. J. Dahl on their recent wedding.  
Barney Elliott has purchased a purebred Labrador retriever "Duke Julianne Whitmore." He is only four weeks old and it is noteworthy to mention that his mother is Dominion champion. Okay, Barney, now comes the training—you have a hobby.  
Mr. and Mrs. Otto Blitner and Mr. and Mrs. Alfred Thompson were Calgary visitors Sunday and visited friends and relatives. They brought home Olwyn Blitner who had just returned from Regina.  
Mrs. A. Gebers and Mrs. O. Blitner visited last Wednesday with Mrs. D.B. Wood.

Mr. and Mrs. T. Towers spent two days with their relatives, Mr. and Mrs. B. A. Atkinson and family en route from Jasper, Banff and Calgary.

## BURNSIDE

Quite a number from this district took in the Didsbury Fair last week. Among them were Mr. and Mrs. Joe Hunter, Mr. and Mrs. Dennis Jenkins and family and Mr. and Mrs. Sam Elliott and family.  
Harold Davidson of Sunnyslope was a visitor in the Burnside district last Tuesday.  
Sandy Brander boarded a plane last Tuesday for White Rock, B.C. to be with his mother, who underwent a major operation. News from Sandy informs us that Mrs. Brander is progressing favorably.  
Mrs. Tom Noble and daughter of Calgary are visiting in the district with Mrs. Noble's brothers, Dennis and Dick Jenkins.  
Dick Jenkins motored to Edmonton last week. He was accompanied by his mother who will spend a vacation with her son, Bill, who is employed at the Leduc oil field.  
Mr. and Mrs. Dennis Jenkins visited with the Martons last Friday evening.  
Bill Jones, who underwent a major operation last fall, is leaving for Edmonton to take another medical examination.  
Grandpa and Grandma Ahlgren are patients in the Didsbury hospital and we hope to see them around again shortly.  
The crops in the district generally are fair and gardens are doing well. Sam Elliott was haying on the Marton farm last week and was assisted by Walter McCulloch and his crew. Sam says the haying is good.
